# Important Info!

## Code of Conduct

This year Lincoln Glen Little League is once again asking all players, managers, coaches, and parents to sign and adhere to a formalized Code of Conduct. Thank you in advance for honoring the "Code" and respecting the guidelines for proper conduct and behavior as outlined by Little League Baseball.

## End of Year Tournament

Mark your calendars for the end of May (see your division schedule) for the start of division playoffs in Majors and Minors. Each division will have a double elimination play-off to determine the league champion. This has proven to be an exciting way to conclude the year and every team has an equal chance to be crowned league champion.

## The Parents' Role in Little League

Every parent plays a monumental role in the development of their child and the other players on their team. How can you help?

### Before the Game

- Tell your child you are proud of them regardless of how well he or she plays
- Make a commitment to "Honor the Code" no matter what others do

### During the Game

- Cheer good plays by both teams
- Mention good calls by the officials to others

- Encourage others to "Honor the Code"
- Remember to have fun! Enjoy the day.

### After the Game

- Thank the officials and the coaches for their effort
- Ask your child open-ended questions  
What was the most enjoyable part of the game for you? What was the least enjoyable? Do you feel you gave it your best effort? What did you learn from the game? Tell your child again that you are proud of them! (Especially if the game didn't go well)

## LGLL Contact Info

There may be times during the season when you have special comments, concerns or questions that your coach or manager is unable to address. For further help you may want to call one of the following board members:

Tom Wilson                      650-248-9646  
President

Tom Calloway                      408-314-4490  
VP of JRs

Jim Fish                              408-221-0113  
VP of Majors

Pat Ciciretto                      415-216-6002  
VP of Minors

Jason Beheshti                      408-921-9773  
VP of Farm

Mitch Zurich                      408-888-9594  
VP of T-Ball

Art Garcia                              619-253-3472

# President's Letter

Dear Lincoln Glen Little League,

As we approach the close of our milestone 70th season with Lincoln Glen Little League, it's a fitting time to pause and express our profound gratitude to the countless individuals who have tirelessly worked to create lasting memories for our young athletes. Our league is now home to nearly 500 players and we have been incredibly fortunate to witness an extraordinary display of community spirit and volunteerism this season. Our heartfelt appreciation goes out to every single person who has contributed their time, energy, and resources in the service of LGLL.

The 2023 season has certainly not been without its unique set of challenges. As we settled into our new playing fields inaugurated last season, we found ourselves navigating some unprecedented weather challenges, scheduling conflicts, and issues related to field and facility permitting. Despite these hurdles, the passion and joy our young athletes displayed while playing the sport they love, reassured us that the future of LGLL remains bright.

Little leagues across the globe are successful due to community engagement and the dedication of volunteers - including families and stakeholders. Reflecting on my tenure serving LGLL, I am particularly proud of the surge of new volunteers who have stepped forward to take up leadership roles. Our league has benefited immensely from the services of thousands of volunteers over the years, and it's crucial for us to foster an environment that promotes active participation for the organization to reach new heights. To all of you who have played pivotal roles in making LGLL a home for young players to learn and grow, we extend our deepest and sincerest thanks.

Serving as President of LGLL has been an immense privilege. Over the past decade of involvement in our league, I've had the honor of working closely with dedicated coaches and volunteers from T-ball to Majors. These memories, filled with lots of wins and losses, weeds and red dirt stains, will always be special to me. As I prepare to pass the baton to the incoming President of our Board later this year, I am committed to supporting LGLL in every possible way and I hope you'll consider engaging on a deeper level as we strive to make the league better every year. I hope our paths cross at the park in the near future.

Yours in Little League,

Tom Wilson

*Thomas J Wilson*

President, Lincoln Glen Little League

## Lincoln Glen Little League

# Honors Volunteer of the Year

## *In Memory of Wes Houseweart*

In 1996, the Board of Directors of Lincoln Glen Little League inaugurated the “Volunteer of the Year” Award in loving memory of our last “old timer,” Wes Houseweart, who passed away in November, 1995. This award is given each year to an individual who goes above and beyond the call of duty in volunteering his/her time to our league, as the success of our league is dependent upon the commitment and generosity of our volunteers, like Wes.

Wes Houseweart was one of our more legendary volunteers. Wes’ loyalties to Lincoln Glen extended not only to actively participating as a coach, manager, board member and proud parent, but in cheering and watching all our children play baseball. Wes was one of the volunteers who would come back year after year to donate his time to our league (and tell his stories) even after his son, Randy Houseweart, and grandson, Robbie Thigpen, had graduated through our program.

Wes was also very active in maintaining and watering our fields. It was always a common sight to see Wes riding the tractor on the fields at all hours of the day! He would have been excited to see the new grass infield, even if it meant he would have to spend more time at the field riding around on the tractor. In 1997, we renamed our senior field the “Wes Houseweart” field in honor of Wes.

Lincoln Glen Little League sincerely thanks our present and past Volunteers of the Year for all they have given us. Their selfless efforts and the efforts of many others are what help make this league what it is today - the best in Santa Clara County.

WES HOUSEWEART

2023 Lifetime Volunteer of the Year Award

"I did not plan to volunteer for LGLL. Baseball was not my area of expertise. My own Little League career ended at the age of 9. When my son wanted to play T-ball, I was super excited...to 'watch'. I played soccer as a kid and was already coaching my son's soccer team. I did end up helping with T-ball practices and was a team parent the next year, but, after his second year, my son was ready to give up on baseball. Fortunately an amazing coach/volunteer, Aaron Burriesci, made my son promise to give it one more year. That next year my son played on Aaron's team and Aaron asked me to be an assistant coach. After that year, both my son and I were hooked!

That third season, we both saw what a difference the right coach and the right attitude can do for a group of kids. I continued to coach and soon found my self on the board of LGLL, as well. I was fortunate enough to coach and manage for the rest of the time my son played Little League. The sport he was ready to quit when he was 7, became his passion and he played through high school. While baseball was not my area of expertise, I still managed to learn enough every year to keep myself a few steps ahead of the kids I was coaching and continued to work on the board of LGLL for several additional years supporting the league and the kids.

Volunteering through LGLL was a unique experience. I feel like the other parents were the ones that missed out. I got to have a blast teaching, training, motivating and having fun with their children in the afternoons and then send them home exhausted and hungry. It is one thing to see your kids play a sport from the bleachers, it is a completely different thing to be on the field with your kids playing that sport and participate with them. It was a lot of work, but I cherish every memory with all of the kids I was fortunate enough to coach.

I am honored to receive the Wes Houseweart Award this year. When I look at the other volunteers that have been given the award over the years, I am certainly not as worthy and am humbled to be in their rankings. When you read about Wes Houseweart in the annual LGLL program, they always show a photo of him on the tractor lawnmower. My nickname when I was coaching was "Tractor" because I loved driving the tractor, dragging the infield and mowing the grass. I would always jump at the opportunity to put a few miles on the tired old beast. I hope I made Wes proud.

If I can do it, you all can do it. And I highly recommend that you do. It was an amazing experience."

# 2023

## Ron Hurst

### WES HOUSEWEART

2023 Lifetime Volunteer of the Year Award

"It has been an honor to volunteer with Lincoln Glen Little League since 2014. I grew up in Compton, California, a small, close-knit community in Southern California. My mother was a school teacher and taught me the value of community involvement and the importance of youth sports. I believe my experiences with little league and other sports helped me develop a sense of maturity and work ethic I wouldn't have had without those experiences.

In 1999, I moved to the Bay Area to play football for SJSU, and I moved to Willow Glen in 2012. My first experience with LGLL was coaching my son, Kingston's T-ball team. Since then, I've managed teams in Farm, AAA, Majors and an All-Star team. I've held positions on the board since 2016, including Vice President of T-ball, Equipment Management and I am currently the Head of Player and Coaching Development.

I have enjoyed every moment and I take pride in being a member of the Lincoln Glen family. Despite all the big games and fun moments on the field, the most important part of my experience has been the truly meaningful friendships Kingston, Tracy and I have made during our time with LGLL. I also take pride in being able to give back in a way that had such a positive influence on my own life.

► 2023

## Scott Fischer

WES HOUSEWEART

2023 Lifetime Volunteer of the Year Award

“Our family moved to the Willow Glen neighborhood of San Jose in 2013. With three young boys who all love sports, I knew my ‘free time’ was soon coming to an end. What I didn’t know, and what I have learned in Lincoln Glen Little League, is that time spent volunteering has been much more valuable to my family and I than anything I could have planned before getting involved in Little League.

I started off ‘helping out’ in T-Ball, the way most dads do. Whether it was coaching a base or just making sure kids didn’t hit each other with bats, I just wanted to help things run smoothly and assist where it was needed. As my sons grew older and came up through the Farm and Minors divisions, my duties morphed into Assistant Coaching, then Head Coaching, and eventually as a Board Member. I was always taught to get involved to make things better instead of complaining from the sideline, so any time I thought things could be better I tried to step in and shoulder the load. As I became more involved with LGLL, our family developed close relationships with the families on our teams and in the league which made it easier to stay involved and look forward to time spent at the fields.

I was asked to join the LGLL Board as the ‘Information Officer.’ I wound up being in the right place at the right time, as the league just started digital registration, needed a new website, and design help, etc., and I did all those things for a living. I appreciate the Board for trusting me to help in these areas and am thankful for the opportunity to work on behalf of a great organization. I applaud everyone on our Board of Directors and the role they play in making our Little League seasons happen. It is truly a team effort.

Little League is one of the most unique sporting opportunities I’ve seen. It has to be made up of members of your community (district boundaries). When teams are formed, chances are the majority of your teammates and their families all live within a couple miles of each other. Combine that with the amount of practices, games, and length of the Little League season, and we wind up in a pressure cooker of friendships and community building opportunities that almost no other youth sports can provide. We’ve gone on vacation with families that we met in T-Ball and Farm. We’ve formed Travel Ball teams and competed in other sports based on the relationships that have come about through Little League.

This year I’m coaching a Majors team and am blessed to have two of my sons on it. I look forward to many more years in LGLL and finding ways in which I can help. I’m honored to receive this award, especially when looking at past winners and knowing they’ve done much more for LGLL than I have. Thanks to all who dedicate time to providing a safe, fun place for kids in our community to learn the game of baseball.”

## **Sam Jones Field - Majors Division**

*-River Glen Park, dedicated March 27, 1993*

In 1964 when Lincoln Glen was short on coaches, Samuel Edward Jones Sr. volunteered his services as a little league coach. For the next 29 years, Lincoln Glen would be a major part of his life. In addition to managing Lettermen, Sam was a member of the Board of Directors and handled everything from uniforms and equipment to dealing with the city and school district for field permits and improvements. For many people, both in our program and throughout the little league district, the name Sam Jones and Lincoln Glen Little League were synonymous.

To honor Sam and express our gratitude to his family for his years of service to this community, in 1992 the league requested and was granted permission by the City of San Jose to name the Major's Division Baseball Diamond after Sam. On March 27, 1993, the Sam Jones Field was dedicated with over a 1,000 Lincoln Glen players, parents and supporters in attendance.

When Sam Jones passed away in 1992, his family asked that donations be made to Lincoln Glen Little League in his memory. Sam's family generously earmarked those funds for a batting cage to be built adjacent to the Sam Jones Field at River Glen Park; Sam would have wanted these funds to be used to benefit as many baseball players as possible. The Sam Jones Batting Cage was built in 1998 and dedicated on opening day on March 20, 1999.

## **Wes Houseweart - Senior Division**

*-Willow Glen Middle School - March 1997*

When Wes Houseweart passed away in November, 1995, the Board of Directors of LGLL came up with the idea of a "Volunteer of the year" award in memory of Wes. Each year this award is given to an individual who goes above and beyond the call of duty in volunteering his/her time to our league, as the success of our league is dependent upon the commitment and generosity of our volunteers, like Wes.

Wes Houseweart was one of our more legendary volunteers. Wes' loyalties to Lincoln Glen extended not only to actively participating as a coach, manager, board member and proud parent, but in cheering and watching all our children play baseball. Wes was one of the volunteers who would come back year after year to donate his time to our league (and tell his stories) even after his son, Randy Houseweart, and grandson, Robbie Thigpen, had graduated through our program.

Wes was also very active in maintaining and watering our fields. It was always a common sight to see Wes riding the tractor on the fields at all hours of the day!

# Field Dedications

## Joe Walter - Farm Division

-River Glen Park, dedicated March 13, 2004

Not only was Joe Walter a founder of the league, but he also gave of his time and talents for well over 30 years.

Joe touched the lives and the hearts of literally thousands of Willow Glen neighborhood kids and their parents. In fact, many of us reading this tribute have not even lived as many years as Joe has spent volunteering with the Lincoln Glen Little League! It all began in the early 50's when Joe began coaching a pony-colt team for the League. When Joe's oldest son Robert turned 8 years old, there was no such thing as the LGLL Farm division. Joe decided there was a need for a separate league for 8 & 9 year-old kids because there was too much of a difference between the capability of an 8 year old and a 12 year old to play together. And so the Lincoln Glen Farm League was born... The emphasis would be on learning and sportsmanship, teamwork and fun; principles that still guide the Farm coaches and players today. Though he coached his team to victory during many games and seasons, winning was never the primary goal, it was just an outcome.

During his 33 years with the League, he served on the Board as the V.P. of Farm for much of that time, in addition to sponsoring and coaching the Mayfair Packing team each and every year. When his youngest son Barry was in college, Joe recruited him to help coach, and they were a great father and son coaching team for a few years, even coaching the Righetti brothers. Recently when Dave Righetti was inducted into the San Jose Sports Hall of Fame, it was Joe Walter that Mr. Righetti thanked and talked about before anyone else. That's the sort of influence that Joe had on the kids he coached. They remember him as a positive influence during their first experiences with baseball – a kind, gentle and patient man who would stop the game to help a player understand what happened and take that moment to teach them something big or small... A good leader who instructed and motivated each individual on the team in only the most positive ways, and at times even taught the parents a little about patience and encouragement!

# Thank You To Our Past Presidents & Board of Directors

As we commence our 70th season at Lincoln Glen Little League, it is important for us to look back at the dedication and support of the numerous volunteers who have come before us and made Lincoln Glen Little League one of the premier little leagues in all of Santa Clara County.

It was back in the year of 1954 when Lincoln Glen Little League was founded. It was a time when Sports Illustrated published its first magazine and the New York Giants (now the San Francisco Giants) beat the Cleveland Indians in the World Series 4-0.

As a volunteer organization, the success of our league depends on the countless hours of all of our volunteers. From 1954 to 1971, Lincoln Glen Little League existed as an association, and in 1971 it was incorporated as a non-profit organization. It continues to this day to exist as a 501(c)(3). In searching both programs and various archives, we have compiled a list of all of our past presidents for our Lincoln Glen Little League Board of Directors. We would like to thank these past presidents of our Board of Directors for their dedication to our league. This year we would like to pay tribute to the various leaders that have spearheaded these volunteer efforts.

As some of you may not know, Lincoln Glen Little League Women's Board was formed in 1965 by June Jones who felt a fundraising effort was necessary to provide the players with better uniforms and equipment. June and Mary Augilera began a Snack Shack at River Glen in an 8' x 8' metal utility shed. These two pioneers ran the Snack Shack at every game for the next two years. The first year, June and Mary boosted the league treasury with over \$600! The work of the Women's Board was instrumental in our publicity, merchant boosters, programs and running and staffing our two snack shacks.

In the year 2000, the Board of Directors decided to combine the two Boards and now we have nearly 25 individuals involved on our Board of Directors who handle all aspects of the league from mowing lawns to negotiating contracts with the City of San Jose for our use of the fields. For the most part, the work of the Board of Directors sometimes goes unheralded, but their dedication and support provides this league with valuable leadership and organization. Like many volunteer organizations, we are always in need of support both people wise and dollar wise. Lincoln Glen Little League is no exception. If you would like to donate your time, ideas or money, please contact our current president Tom Wilson.

Lincoln Glen Little League is lucky to have this very special Board of Directors. Thanks to all of you, past and present, from all of us at Lincoln Glen, and a special thank you to honor these past presidents who have presided over our Boards for the past 70 years.

## Thank You To All Our Lincoln Glen Little League Supporters!

## What Parents Should Know About Little League Insurance

First, please remember that protective equipment cannot prevent all injuries a player might receive while participating in baseball. Injuries can and do occur and we want you to know what administrative procedures should be taken to file a claim.

The Little League Insurance Program is designed to afford protection to all participants at the most economical cost to the local league. It can be used to supplement other insurance carried under a family policy or provided by a parent's employer. If there is no other coverage, Little League Insurance (which is purchased by the League, not the parent) takes over and provides benefits for all covered injury treatment costs up to the stated maximums. This plan makes it possible for Little League to offer unmatched, low cost protection with the assurance to parents that adequate coverage is in force at all times during the season.

If your child sustains a covered injury while taking part in Little League Baseball, the following steps should be taken:

- I. File initial claim with insurance carried by family.
2. Should your family insurance plan not fully cover the injury treatment, the Little League Insurance Policy will help pay the difference up to the maximum stated benefits. This includes any deductibles or exclusions in your own insurance.
3. If your child is not covered by any family insurance, the Little League Insurance Policy becomes primary and will provide benefits for all covered injury treatment costs up to the maximum of the policy.
4. Treatment of dental injuries can extend beyond the normal 52 week period if it must be delayed due to physiological changes of a growing child. Benefits will be paid at the time of treatment being given, even though it may be some years later. Maximum dollar benefit is \$500 for eligible deferred dental treatment after the normal 52 week period.
5. If you need to file a claim with Little League Insurance, contact Becky Jones.  
408-354-1388 or [rjones@grjlaw.com](mailto:rjones@grjlaw.com).

We hope this brief summary has been helpful in gaining a better understanding of the Little League Insurance Program.

WWW.GRJLAW.COM

“19 For Life” is a foundation created to celebrate the gift that DJ Frandsen was to his family, friends and his community. He lived his life with a strong will, optimism and compassion. The “19 For Life” Foundation is a lasting legacy to DJ’s beliefs in giving back, making a difference, being a man for others and Never Giving Up!!

DJ played little league at Lincoln Glen Little League from 1984 to 1993 (age 5 to 14). Of course, we know of DJ's competitiveness and not giving up surviving cancer for 19 years.

The Foundation helps make dreams come true for patients at Lucile Packard Children's Hospital at Stanford which was DJ's home away from home. 19 for Life supports numerous programs at LPCH including the CHEERS program which helps to fund off-site recreational activities for children coping with serious illness at LPCH), AYA program and the 19 for Life Snack Zone in the Bass Center.

“19 for Life” continues to provide scholarships to deserving student/athletes who have overcome adversity through our partnership with 49ers Cal High Sports Program as well as help financial assistance to a Bellarmine senior who needs support to complete his high school education.

The funds that “19 for Life” raises will benefit worthy causes that helped shape DJ's life. It allows individual and groups to meet their full potential to carry on his beliefs.....Go the Distance, Never Give Up!!!

Your support of “19 For Life” helps to fund off-site recreational activities for children coping with serious illness at Lucile Packard Children’s Hospital; scholarships for local high school athletes who have overcome illness and adversity; and Bellarmine seniors needing financial assistance to complete their high school education.

**Mark your Calendar for our two annual fundraising events.**

**Fall 2023 Wine Tasting held at Joseph George Wines -check our webpage for the exact date in the summer.**

**Seventeenth Annual Bocce Ball Tournament- February 4, 2024 Campo di Bocce in Los Gatos.**

Follow us on twitter @19forlife

[www.nineteenforlife.com](http://www.nineteenforlife.com)

“19 for Life” is a 501(c)(3) nonprofit corporation. Federal Tax ID #26-1613428. Donations to the Foundation will be tax deductible as charitable contributions.

# Parent Boosters

Lincoln Glen parents are extremely generous in supporting the league. Once again, Lincoln Glen parents have generously decided to voluntarily contribute money beyond the normal sign up fees.

On behalf of the players and participants in our program, we would like to thank our Boosters for their generosity and support. These generous families donated to our 2022 Fundraiser or to our 2022 Fall Ball & 2023 Spring season Booster Funds.
