2022

PROGRAM

Celebrating our 69th Season!

The Lincoln Glen Baseball Times

Code of Conduct

This year Lincoln Glen Little League is once again asking all players, managers, coaches, and parents to sign and adhere to a formalized Code of Conduct. Thank you in advance for honoring the "Code" and respecting the guidelines for proper conduct and behavior as outlined by Little League Baseball.

End of Year Tournament

Mark your calendars for the end of May (see your division schedule) for the start of division playoffs in Majors and Minors. Each division will have a double elimination playoff to determine the league champion. This has proven to be an exciting way to conclude the year and every team has an equal chance to be crowned league champion.

The Parents Role in Little league

Every parent plays a monumental role in the development of their child and the other players on their team. How can you help?

Before the Game

- Tell your child you are proud of them regardless of how well he or she plays
- Make a commitment to "Honor the Code" no matter what others do

During the Game

- Cheer good plays by both teams
- Mention good calls by the officials to others
- Encourage others to "Honor the Code"
- Remember to have fun! Enjoy the day.

After the Game

- Thank the officials and the coaches for their effort
- Ask your child open-ended questions

What was the most enjoyable part of the game for you?

What was the least enjoyable?

Do you feel you gave it your best effort?

What did you learn from the game?

Tell your child again that you are proud of them!

(Especially if the game didn't go well)

Lincoln Glen Little League Families

Welcome to the 69th season of Lincoln Glen Little League! My name is Tom Wilson, and I am honored to serve as President of the league. The 2022 season will be my 9th year at LGLL. My involvement began years ago as a T-ball coach and has continued through Majors.

2022 will be an amazing year as we welcome over 450 players and 36 teams. As many of you have seen, the fields at River Glen have been renovated and most of the facilities have been updated. Some construction will continue during the season including lots of new fencing, bleachers, and a snack shack sunshade. Don't worry, the new grass is just dormant and will green up in early spring. With the new fields, the LGLL board was also able to negotiate a new contract allowing us use of the Sam Jones Field year-round so we can host our own Fall Ball starting this year!

The past several years have been very challenging for obvious reasons. Baseball is the perfect vehicle for the players and community to start the transition back to normalcy. I want to recognize and thank the LGLL board members and volunteers for their countless zoom calls and tireless efforts making this season a reality. Additionally, I want to thank the volunteer managers, coaches, and team parents that run the teams and serve as mentors to our players. It is our collective efforts that make LGLL a special and fun place to play.

I want to personally challenge all of you to get more involved with LGLL. The volunteering efforts of our community are pivotal for league success. Joining the board is a fantastic way to stay involved and we always need new members. I can truly say some of my closest friends have come from the LGLL community.

Finally, I want to recognize and congratulate Sharon Malone and Art Garcia. They are the recipients of the 2022 Wes Houseweart award. Sharon and Art exemplify the true meaning of volunteerism and have been instrumental in the success of Lincoln Glen Little League for over 15 years. Art, thank you for your continued role on the board and Sharon we are going to miss you, please make sure we see you at the games!

Baseball is finally back, see you at the park.

LINCOLN GLEN LITTLE LEAGUE

Honors Volunteer of the Year

In Memory of Wes Houseweart

In 1996, the Board of Directors of Lincoln Glen Little League inaugurated the Volunteer of the Year Award in loving memory of our last “old timer” Wes Houseweart who passed away in November, 1995. This award is given each year to an individual who goes above and beyond the call of duty in volunteering his/her time to our league, as the success of our league is dependent upon the commitment and generosity of our volunteers, like Wes.

Wes Houseweart was one of our more legendary volunteers. Wes’ loyalties to Lincoln Glen extended not only to actively participating as a coach, manager, board member and proud parent, but in cheering and watching all our children play baseball. Wes was one of the volunteers who would come back year after year to donate his time to our league (and tell his stories) even after his son, Randy Houseweart, and grandson, Robbie Thigpen, had graduated through our program.

Wes was also very active in maintaining and watering our fields. It was always a common sight to see Wes riding the tractor on the fields at all hours of the day! He would have been excited to see the new grass infield, even if it meant he would have to spend more time at the field riding around on the tractor. In 1997, we renamed our senior field the “Wes Houseweart” field in honor of Wes.

Lincoln Glen Little League sincerely thanks our present and past Volunteers of the Year for all they have given us. Their selfless efforts and the efforts of many others are what help make this league what it is today - the best in Santa Clara County.

WES HOUSEWEART

2022 LIFETIME VOLUNTEER OF THE YEAR AWARD

Sharon Malone

“I am so honored to receive the Wes Houseweart Award this 2022 season. Being a part of Lincoln Glen Little League has been one of my most rewarding and fun experiences! I made so many new friends, was able to be part of a community that focused on the betterment of kids and family, and it offered me the opportunity to grow as a person and a leader. Who could ask for more!!”

“Our family joined the league in 2004 with our son Matt, and we knew the minute we walked on that T-Ball field we were in it for the long haul and I wanted to be involved!”

“I started my volunteer work with the league as Team Parent which I did until I was asked to be a farm team manager. I was so surprised to be asked to take on this role and man, was I nervous!!! I knew I had a good support team, so I said yes. I learned so much about baseball that year and had a lot of fun!!!”

“I first joined the board as Merchandiser/Special Event coordinator which I held for many years. During this time, I also served as tournament director, opened and managed the snack shack at Patrick Field, and was convinced to become an umpire. (I have a HUGE respect for those who take on that role! It is NOT easy!)”

“In 2016 I was asked to become President of the league and held that position until the end of the 2021 season. Being president was a very rewarding and challenging experience, and I could not have done it without the support of the board, which I cannot speak highly enough of. All the people that sit on the board have only one focus, your kids. All the conversations and decisions made during our meetings were to ensure that the kids in the league had the opportunity to grow not only as team players, but as successful people in society. I celebrate and thank everyone who was with me during my tenure and continue to serve on the board.”

“My son, now a senior in college, went on to play for WGHS as a starting pitcher, and is forever grateful for all his managers and coaches at LGLL who volunteered to support him and his teammates through his time in the league.”

“We have so many wonderful memories as a family being a part of this league and encourage all of you to volunteer!!! I said yes to so many things I thought I would never do and am so thankful that I did! LGLL cannot survive without the support of all its members, so the next time the league says can you help, say YES!!! You will never regret it!”

“Though I am no longer involved in the league, it will always be a part of who I am as a person.”

“Best of everything in the 2022 season and GO LGLL!!!!”

WES HOUSEWEART

2022 LIFETIME VOLUNTEER OF THE YEAR AWARD

Art Garcia

“Volunteering at Lincoln Glen Little League as a coach, manager, and board member for over 9 seasons has been an amazing experience. My son Braxton started T-ball which was when my coaching career began. After coaching a year each of T-ball, Farm and AA; my career of managing started during his first year of AAA. Managing Majors for a year, and then a shortened 12U Major’s year was the last of my management career at LGLL. I was fortunate enough as well of having the experience of managing a few seasons of All Stars throughout his time from AA to Majors, where we won a local 10U Championship!” (Editor’s Note: Art’s comments may not tell the full story as he coached or managed teams to 2 LGLL League Championships, 2 second place LGLL finishes, a Tournament of Champions runner up, the 10 year-old District 12 Champions, 5 All-Star teams managed or coached and softball league championship with his daughter’s team.)

“The greatest experience of all was witnessing the baseball development of all the kids that we coached, and the joy of baseball!”

A comment about Art’s style and impact from another member of the LGLL family:

...the value for Art has always been continual improvement and keeping kids coming back. His practices were unconventional including loud music, and contests to keep the players engaged. Art is a great instructor of the game, and always stressed teaching/instructing beyond skill level. Stressing the value of the team...next player up (the importance of picking up your teammates). I’m super proud of the fact that year over year we prepared our teams not just to perform, but to do so with mindfulness. Over the years, Art had a number of players and parents, that prior to playing for Art were reluctant to continue. Because of their experience with Art they wanted to play again...that’s the real win.

“Working with the LGLL Board of Directors for the past 4 seasons started as the Coaching and Player Development Coordinator role. Enhancing the overall baseball development by our coaches was key to enhancing the overall experience of our little leaguers. After a couple years of that I moved into the Player Agent role for the last couple of seasons.”

“Overall, my experience with the LGLL family has been amazing after the countless hours of dedication to baseball, our players and extended baseball families. We’ve built many lasting relationships at Lincoln Glen that as a family moving up from San Diego in 2012, we couldn’t be any more grateful. I am looking forward to many more seasons, but first, Let’s Play Ball for Opening Day 2022!”

FIELD DEDICATIONS

Sam Jones

Sam Jones Field-Major Division-River Glen Park

-dedicated March 27, 1993

In 1964 when Lincoln Glen was short coaches, Samuel Edward Jones Sr. volunteered his services as a little league coach. For the next 29 years, Lincoln Glen would be a major part of his life. In addition to managing Lettermen, Sam was a member of the Board of Directors and handled everything from uniforms and equipment to dealing with the city and school district for field permits and improvements. For many people, both in our program and throughout the little league district, the name Sam Jones and Lincoln Glen Little League were synonymous.

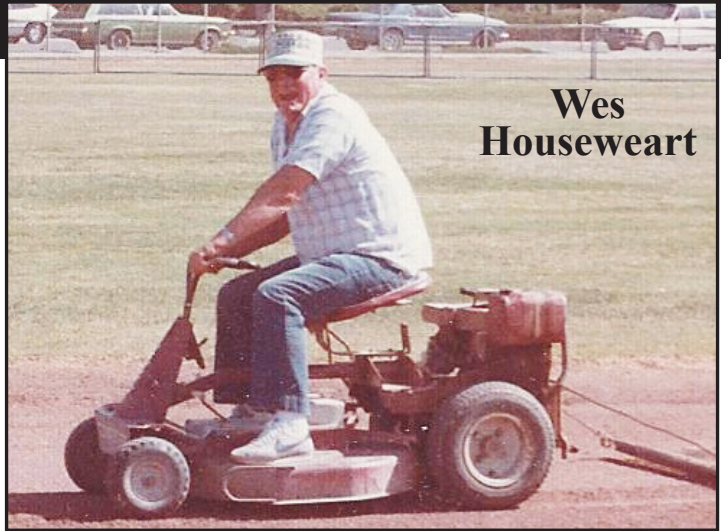

To honor Sam and express our gratitude to his family for his years of service to this community, in 1992 the league requested and was granted permission by the City of San Jose to name the Major's Division Baseball Diamond after

Sam. On March 27, 1993, the Sam Jones Field was dedicated with over a 1,000 Lincoln Glen players, parents and supporters in attendance. When Sam Jones passed away in 1992, his family asked that donations be made to Lincoln Glen Little League in his memory. Sam's family generously earmarked those funds for a batting cage to be built adjacent to the Sam Jones Field at River Glen Park; Sam would have wanted these funds to be used to benefit as many baseball players as possible. The Sam Jones Batting Cage was built in 1998 and dedicated on opening day on March 20, 1999.

Wes Houseweart-Senior Division

Willow Glen Middle School- March 15, 1997

When Wes Houseweart passed away in November, 1995, the Board of Directors of LGLL came up with the idea of a "Volunteer of the year" award in memory of Wes. Each year this award is given to an individual who goes above and beyond the call of duty in volunteering his/her time to our league, as the success of our league is dependent upon the commitment and generosity of our volunteers, like Wes.

**Wes
Houseweart**

Wes Houseweart was one of our more legendary volunteers. Wes' loyalties to Lincoln Glen extended not only to actively participating as a coach, manager, board member and proud parent, but in cheering and watching all our children play baseball. Wes was one of the volunteers who would come back year after year to donate his time to our league (and tell his stories) even after his son, Randy Houseweart, and grandson, Robbie Thigpen, had graduated through our program.

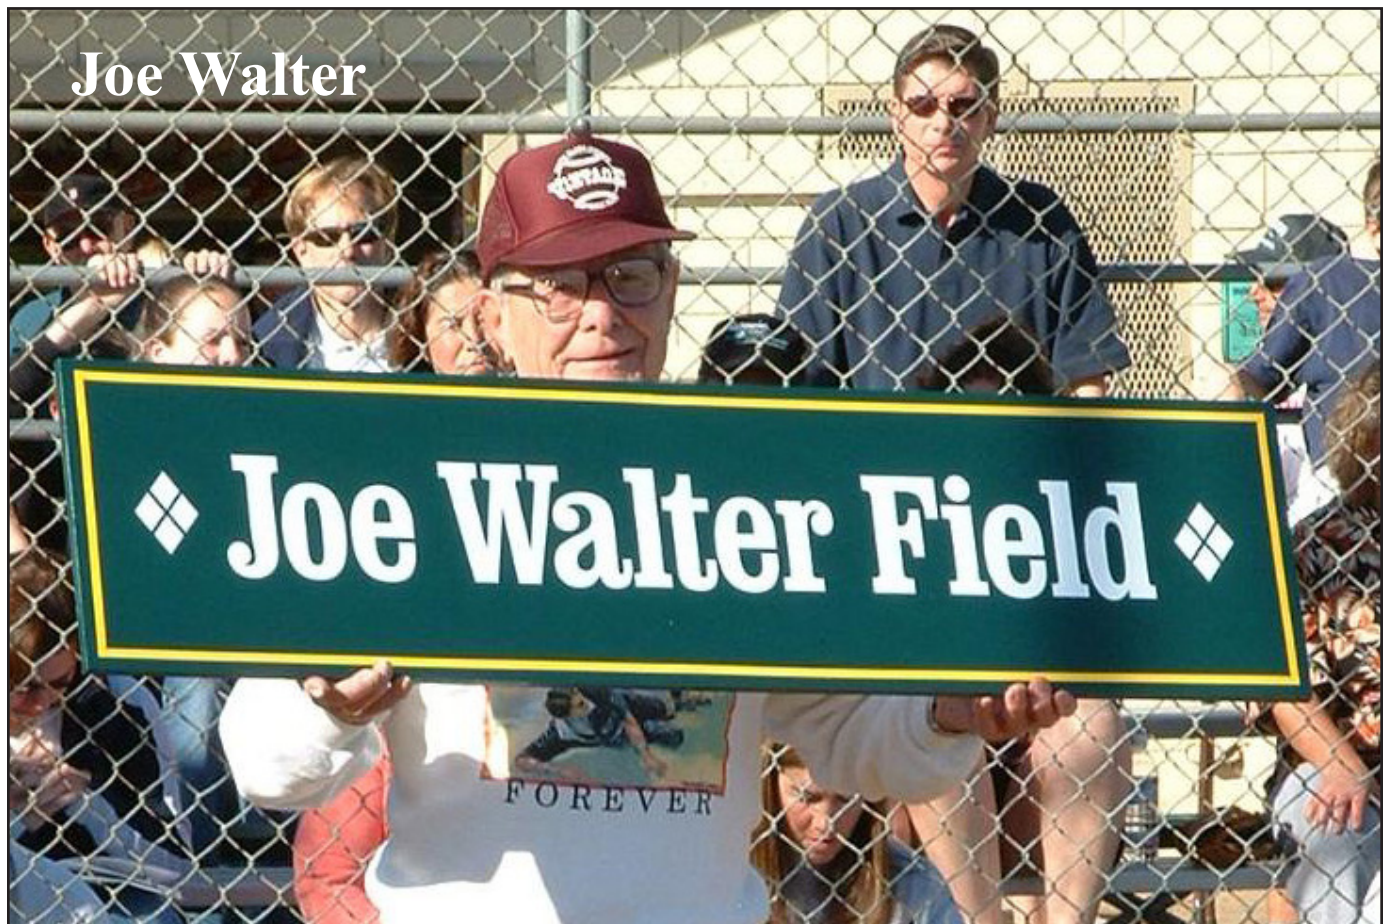

Wes was also very active in maintaining and watering our fields. It was always a common sight to see Wes riding the tractor on the fields at all hours of the day!

Joe Walter-Farm Division-*River Glen Park-March 13, 2004*

Not only was Joe Walter a founder of the league, but he also gave of his time and talents for well over 30 years.

Joe touched the lives and the hearts of literally thousands of Willow Glen neighborhood kids and their parents. In fact, many of us reading this tribute have not even lived as many years as Joe has spent volunteering with the Lincoln Glen Little League! It all began in the early 50's when Joe began coaching a pony-colt team for the League. When Joe's oldest son Robert turned 8 years old, there was no such thing as the LGLL Farm division. Joe decided there was a need for a separate league for 8 & 9 year-old kids because there was too much of a difference between the capability of an 8 year old and a 12 year old to play together. And so the Lincoln Glen Farm League was born... The emphasis would be on learning and sportsmanship, teamwork and fun; principles that still guide the Farm coaches and players today. Though he coached his team to victory during many games and seasons, winning was never the primary goal, it was just an outcome.

During his 33 years with the League, he served on the Board as the V.P. of Farm for much of that time, in addition to sponsoring and coaching the Mayfair Packing team each and every year. When his youngest son Barry was in college, Joe recruited him to help coach, and they were a great father and son coaching team for a few years, even coaching the Righetti brothers. Recently when Dave Righetti was inducted into the San Jose Sports Hall of Fame, it was Joe Walter that Mr. Righetti thanked and talked about before anyone else. That's the sort of influence that Joe had on the kids he coached. They remember him as a positive influence during their first experiences with baseball – a kind, gentle and patient man who would stop the game to help a player understand what happened and take that moment to teach them something big or small... A good leader who instructed and motivated each individual on the team in only the most positive ways, and at times even taught the parents a little about patience and encouragement!

Thank You To Our Past Presidents & Board of Directors

As we commence our 69th season at Lincoln Glen Little League, it is important for us to look back at the dedication and support of the numerous volunteers who have come before us and made Lincoln Glen Little League one of the premier little leagues in all of Santa Clara County.

It was back in the year of 1954 when Lincoln Glen Little League was founded. It was a time when Sports Illustrated published its first magazine and the New York Giants (now the San Francisco Giants) beat the Cleveland Indians in the World Series 4-0.

As a volunteer organization, the success of our league depends on the countless hours of all of our volunteers. From 1954 to 1971, Lincoln Glen Little League existed as an association and in 1971 it was incorporated as a non-profit organization. It continues to this day to exist as a 501 (c)(3). In searching both programs and various archives, we have compiled a list of all of our past presidents for our Lincoln Glen Little League Board of Directors. We would like to thank these past presidents of our Board of Directors for their dedication to our league. This year we would like to pay tribute to the various leaders that have spearheaded these volunteer efforts.

As some of you may not know, Lincoln Glen Little League Women's Board was formed in 1965 by June Jones who felt a fundraising effort was necessary to provide the players with better uniforms and equipment. June and Mary Augilera began a Snack Shack at River Glen in an 8' x 8' metal utility shed. These two pioneers ran the Snack Shack at every game for the next two years. The first year, June and Mary boosted the league treasury with over \$600! The work of the Women's Board was instrumental in our publicity, merchant boosters, programs and running and staffing our two snack shacks.

In the year 2000, the Board of Directors decided to combine the two Boards and now we have nearly 25 individuals involved on our Board of Directors who handle all aspects of the league from mowing lawns to negotiating contracts with the City of San Jose for our use of the fields. For the most part, the work of the Board of Directors sometimes goes unheralded, but their dedication and support provides this league with valuable leadership and organization. Like many volunteer organizations, we are always in need of support both people wise and dollar wise. Lincoln Glen Little League is no exception. If you would like to donate your time, ideas or money, please contact our current president Tom Wilson.

Lincoln Glen Little League is lucky to have this very special Board of Directors. Thanks to all of you, past and present, from all of us at Lincoln Glen, and a special thank you to honor these past presidents who have presided over our Boards for the past 69 years.

Thank You to all our Lincoln Glen Little League Supporters

WHAT PARENTS SHOULD KNOW ABOUT LITTLE LEAGUE INSURANCE

First, please remember that protective equipment cannot prevent all injuries a player might receive while participating in baseball. Injuries can and do occur and we want you to know what administrative procedures should be taken to file a claim.

The Little League Insurance Program is designed to afford protection to all participants at the most economical cost to the local league. It can be used to supplement other insurance carried under a family policy or provided by a parent's employer. If there is no other coverage, Little League Insurance (which is purchased by the League, not the parent) takes over and provides benefits for all covered injury treatment costs up to the stated maximums. This plan makes it possible for Little League to offer unmatched, low cost protection with the assurance to parents that adequate coverage is in force at all times during the season.

If your child sustains a covered injury while taking part in Little League Baseball, the following steps should be taken:

- I. File initial claim with insurance carried by family.
2. Should your family insurance plan not fully cover the injury treatment, the Little League Insurance Policy will help pay the difference up to the maximum stated benefits. This includes any deductibles or exclusions in your own insurance.
3. If your child is not covered by any family insurance, the Little League Insurance Policy becomes primary and will provide benefits for all covered injury treatment costs up to the maximum of the policy.
4. Treatment of dental injuries can extend beyond the normal 52 week period if it must be delayed due to physiological changes of a growing child. Benefits will be paid at the time of treatment being given, even though it may be some years later. Maximum dollar benefit is \$500 for eligible deferred dental treatment after the normal 52 week period.
5. If you need to file a claim with Little League Insurance, contact Becky Jones. 408-354-1388 or rjones@grjlaw.com.

We hope this brief summary has been helpful in gaining a better understanding of the Little League Insurance Program.

“19 For Life” is a foundation created to celebrate the gift that DJ Frandsen was to his family, friends and his community. He lived his life with a strong will, optimism and compassion. The 19 For Life” Foundation is a lasting legacy to DJ’s beliefs in giving back, making a difference, being a man for others and Never Giving Up!!

DJ played little league at Lincoln Glen Little League from 1984 to 1993 (age 5 to14). Of course, we know of DJ's competitiveness and not giving up surviving cancer for 19 years.

The Foundation helps make dreams come true for patients at Lucile Packard Children's Hospital at Stanford which was DJ's home away from home. 19 for Life supports numerous programs at LPCH including the CHEERS program which helps to fund off-site recreational activities for children coping with serious illness at LPCH), AYA program and the 19 for Life Snack Zone in the Bass Center.

“19 for Life” continues to provide scholarships to deserving student/athletes who have overcome adversity through our partnership with 49ers Cal High Sports Program as well as help financial assistance to a Bellarmine senior who needs support to complete his high school education.

The funds that “19 for Life” raises will benefit worthy causes that helped shape DJ's life. It allows individual and groups to meet their full potential to carry on his beliefs.....Go the Distance, Never Give Up!!!

Your support of “19 For Life” helps to fund off-site recreational activities for children coping with serious illness at Lucile Packard Children’s Hospital; scholarships for local high school athletes who have overcome illness and adversity; and Bellarmine seniors needing financial assistance to complete their high school education.

SENIOR LEAGUE

This season, as in the past several seasons, Lincoln Glen Little League will not be fielding a Senior League team. Over the past several years the District has fielded two teams in the Senior Division and is looking for players (league age 14 – 16) for the upcoming season. Due to many Senior League players being actively involved in their respective High School programs the Senior League schedule does not begin until the High School baseball season has concluded. We are taking applications for Senior League players and if you have any interest please feel free to contact:
